Type of Activity	Analytical skills	
Date and Time of Activity	10/10/2022	10:00AM
Details of Participants	35	
Resource Person	ASHOK	
Description	The "Case Analysis and Differential Diagnosis" program held on 10-10-2022 at Dr.Ulhas Patil Homeopathic Medical College and Hosipital was a landmark initiative aimed at honing analytical skills among homeopathic students. With an impressive turnout of 35 participants, this program delved into the intricacies of case analysis and differential diagnosis, essential components of effective homeopathic practice. Through interactive workshops, practical case studies, and discussions, participants were equipped with the skills necessary for meticulous examination and differentiation of symptoms. Facilitated by experienced practitioners, the program emphasized evidence-based approaches and critical thinking in the homeopathic decision-making process. The overwhelming participation reflects the recognition of the program's significance in enhancing the analytical prowess of aspiring homeopathic professionals, aligning seamlessly with the institute's commitment to fostering well-rounded and analytically competent practitioners.

Resource Person	ANIL KUMAR	
Description	The "Research Methodology and Evidence-Based Practice Course" conducted on 15-09-2021 at Dr.Ulhas Patil Homeopathic Medical College and Hosipital was a pivotal program designed to enhance analytical skills among homeopathic students. With a substantial attendance of 33 participants, this course provided an in-depth exploration of research methodologies and their application to evidence-based practice in homeopathy. Through comprehensive modules, interactive sessions, and practical exercises, participants gained valuable insights into designing and critically evaluating research studies. Facilitated by experienced researchers, the course underscored the importance of analytical thinking in advancing homeopathic knowledge and practice. The program's success, evident in the significant turnout, reflects the growing acknowledgment of the importance of research literacy and analytical skills in contributing to the evidence-based foundation of homeopathic healthcare. The institute's commitment to analytical excellence was well-demonstrated through this initiative.

Resource Person		
Description	The "Clinical Observation and Pattern Recognition Training" conducted on 19-10-2020 at Dr.Ulhas Patil Homeopathic Medical College and Hosipital was a focused program dedicated to enhancing analytical skills among homeopathic students. With 39 participants in attendance, this training delved into the art of clinical observation and honing the ability to recognize patterns crucial for accurate diagnoses in homeopathy. Through practical exercises, real-world case studies, and hands-on training, participants developed a keen eye for identifying subtle signs and symptoms. Facilitated by experienced practitioners, the program emphasized the importance of meticulous observation in contributing to effective homeopathic interventions. The positive turnout reflects the recognition of the program's significance in shaping the analytical capabilities of aspiring homeopathic professionals. This initiative aligns seamlessly with the institute's commitment to fostering a high level of analytical acumen among its students.

Description	The "Clinical Decision-Making and Therapeutics" program conducted on 27-01-2018 at Dr.Ulhas Patil Homeopathic Medical College and Hosipital was a foundational initiative geared towards honing analytical skills among homeopathic students. With 24 participants in attendance, this program focused on imparting essential knowledge and skills related to clinical decision-making and therapeutics in homeopathy. Through interactive sessions, case studies, and discussions, participants were equipped with the tools necessary for thoughtful analysis and effective therapeutic interventions. Facilitated by experienced practitioners, the program emphasized evidence-based approaches and critical thinking in the homeopathic decision-making process. The positive turnout reflects the acknowledgment of the program's significance in nurturing the analytical capabilities of aspiring homeopathic professionals. This initiative aligns seamlessly with the institute's commitment to providing comprehensive training that prepares students for analytical excellence in homeopathic practice.
