7.3.1 Portray the performance of the Institution in one area distinctive to its priority and thrust

Distinctiveness: Academic Excellence and Societal Consciousness

Godavari Foundations Dr Ulhas Patil Homoeopathic Medical College & Hospital Jalgaon has been achieving academic excellence through student outcomes and faculty contributions.

The institution in its crest for excellence has been continuously interacting with Health care, research organisations, and premier academic institutions to provide quality engineering education.

Besides this, the role of an educational institution for societal development has been in the top of the agenda of the institution.

The institute is very particular about societal consciousness and takes responsibility of fulfilling the societal needs by organising several social outreach activities, which in turn makes the institute distinct among other institutions. The institute established with an objective of not only trying for academic excellence and quality education but also upliftment of its neighbouring community socially, economically, and empowering the people with the help of technology and knowledge assistance

Since 2014, the institute has been adopting its neighbouring villages like Khandesh and upgrading the schools of these villages and providing academic and health support by utilising the services of the institute's students and faculty members. With the help of management and others which are employers of Dr. Ulhas Patil Homoeopathic Medical College And Hospital it envisaged a plan of field distribution of books, stationery items, school uniforms and shoes to all students of adopted villages. Whenever the institute upgraded its healthcare infrastructure, it diverted its existing computers to rural schools of adopted villages.

With the help of Dr. Ulhas Patil Medical College started a campaigning in nearby villages for Clean, Green & Sanitized Village Area, With concern, the institute organizes primary health check-up camps, such as eye check-up camps, and blood donation camps. As many rural schools do not have enough faculty to teach English and health education DUPHMC branch of NSS provides voluntary Healthcare services in Khandesh.

DUPHMC students during the time of elections, campaigned in nearby sensitize the people casting their votes for successful democracy. The institute's contributions in the area of outreach programs were very well appreciated by Sarpanches of all neighbouring villages.

The institute arranged its own vehicle for the students from neighbouring villages to come to the institution and learn about various healthcare programs and clinical practices. The effort was well liked by the villagers and students as well.

The institute is having a policy to employ local people, especially the youth for the employment in Group C and Group D services. It has employed over hundred and fifty local people in its security and housekeeping jobs, providing them regular employment near to their habitat. DUPHMC especially employ physically disabled youth from local areas and help them live with respect and dignity.

DUPHMC supports youth development program. It has given logistic support to transport students from all over Jalgaon District for many social awareness programs organized by this institution.. In addition to this, the institute supported several organisations for half marathon, marathon to promote various social causes.

The institute has own philanthropic organization, named "Godavari Foundation". This trust helps needy people by providing them financial, social, medical and psychological assistance.

Protection of environment is accorded great value by DUPHMC. The institute not only takes several measures to protect environment, by installing STP, water conserving pits, solar plants, but also it has gone even further by actively participating in massive plantation drives in its campus and neighbouring villages.

The institute has shown its commitment for fighting the voice of addiction repeatedly supports of local police and administrative agencies. It has created comprehensive program students against any of negative addictions such as smoking, drinking and drugs. To counter the drug addiction, the institute participated in various social activities like organizing marathon runs, poster creation and student to student contact program. This program yielded excellent outcomes and the institute has been appreciated by various Administrative Agencies.
