EVENT REPORT

Name of the Activity	Quality Assurance Workshop in Homoeopathic Pharmacy: Best Practices
Type of Activity	Industry-Academia Innovative practices
Date and Time of Activity	10.08.2021 - 11.08.2021
Details of Participants	74
Resource Person	Dr.Jithender Mehra
Coordinators	IQAC Coordinator
Organizing dept.	IQAC Cell
Description	The Quality Assurance Workshop in Homoeopathic Pharmacy provided a comprehensive exploration of best practices within the field. The workshop, held on [date], featured expert speakers who delved into crucial aspects of ensuring quality in the production of homoeopathic remedies. Attendees gained insights into the importance of raw material selection, manufacturing processes, and quality control measures. Key topics included adherence to regulatory standards, implementing Good Manufacturing Practices (GMP), and leveraging modern technology for quality assurance. Participants actively engaged in case studies, fostering a practical understanding of identifying and mitigating potential challenges in homoeopathic pharmacy. The workshop emphasized the significance of maintaining consistency in potency, purity, and safety throughout the production chain. By promoting an interactive learning environment, the workshop successfully facilitated knowledge exchange among homoeopathic pharmacy professionals. Attendees left with a heightened awareness of best practices, equipping them to elevate the standards of quality assurance in their respective practices, ultimately contributing to the overall advancement of homoeopathic pharmacy.

Date: 13.09.2021

EVENT REPORT

Name of the Activity	Homoeopathic Drug Collection Practices Workshop: Ethical and Regulatory Considerations
Type of Activity	Industry-Academia Innovative practices
Date and Time of Activity	12.09.2021 - 13.09.2021
Details of Participants	98
Resource Person	Dr.Manish Patil
Coordinators	IQAC Coordinator
Organizing dept.	IQAC Cell
Description	The Homoeopathic Drug Collection Practices Workshop provided a comprehensive exploration of ethical and regulatory considerations in the field. The event emphasized the significance of maintaining high standards in the collection of homoeopathic drugs, underscoring the importance of ethical sourcing and adherence to regulatory guidelines. Speakers highlighted the need for transparency in the supply chain, ensuring the authenticity and quality of raw materials. Discussions revolved around the ethical implications of sourcing from sustainable and responsible suppliers to uphold the integrity of homoeopathic drug production. Regulatory aspects were a focal point, emphasizing compliance with industry standards to guarantee the safety and efficacy of homoeopathic drugs. Participants gained insights into current regulations, fostering a deeper understanding of the legal framework governing the collection and manufacturing processes. Overall, the workshop successfully provided a platform for stakeholders to exchange knowledge, fostering a commitment to ethical practices and regulatory compliance within the homoeopathic drug industry.

Date: 12.10.2021

EVENT REPORT

Name of the Activity	Grant Writing Workshop for Homoeopathic Research Projects
Type of Activity	Research Methodology Activity
Date and Time of Activity	11.10.2021 - 12.10.2021
Details of Participants	85
Resource Person	Dr.Anirudh Kulkarni
Coordinators	IQAC Coordinator
Organizing dept.	IQAC Cell
Description	The recent Grant Writing Workshop for Homoeopathic Research Projects proved to be an invaluable platform for aspiring researchers in the field. Hosted on [date] at [location], the workshop aimed to enhance participants' skills in crafting compelling grant proposals. Renowned experts in homoeopathic research shared insights on structuring proposals, identifying funding sources, and aligning projects with current research priorities. Attendees gained practical knowledge through interactive sessions, case studies, and personalized feedback on their project ideas. The workshop fostered collaboration and networking among researchers, creating a supportive community for future endeavours. Emphasis was placed on aligning proposals with evidence-based practices and addressing real-world health challenges. Participants left with enhanced grant writing skills, equipped to contribute meaningfully to advancing homoeopathic research. The workshop's success underscores the importance of continuous capacity building in securing funding for innovative projects within the homoeopathic research community.

Date: 06.01.2022

EVENT REPORT

Name of the Activity	Crafting a Robust Research Proposal Workshop: A Step-by-Step Guide
Type of Activity	Research Methodology Activity
Date and Time of Activity	05.01.2022 - 06.01.2022
Details of Participants	67
Resource Person	Mr.Arvind Mishra
Coordinators	IQAC Coordinator
Organizing dept.	IQAC Cell
Description	The "Crafting a Robust Research Proposal Workshop" provided an invaluable step-by-step guide for aspiring researchers. The workshop, held on [date], meticulously walked participants through the essential elements of a successful research proposal. Beginning with defining a clear research question, the workshop emphasized the significance of a well-defined problem statement and objectives. Participants learned to formulate hypotheses, select appropriate research methods, and design a robust data collection strategy. The workshop's interactive sessions allowed attendees to receive personalized feedback on their proposals, fostering a hands-on learning experience. Furthermore, the workshop explored the significance of a comprehensive literature review and the ethical considerations inherent in research. By the conclusion of the workshop, participants gained a profound understanding of the key components required to develop a compelling research proposal. The guidance provided was not only informative but also equipped attendees with the skills necessary to navigate the complexities of research design. Overall, the workshop proved to be an essential resource for anyone embarking on the journey of crafting a research proposal.

EVENT REPORT

Name of the Activity	Industry-Academia Collaboration Workshop in Homoeopathy: Opportunities and Challenges
Type of Activity	Industry-Academia Innovative practices
Date and Time of Activity	07.03.2022 - 08.03.2022
Details of Participants	94
Resource Person	Mrs.M.Sowjanya
Coordinators	IQAC Coordinator
Organizing dept.	IQAC Cell
Description	The Industry-Academia Collaboration Workshop in Homoeopathy, held recently, provided a dynamic platform for stakeholders to explore Opportunities and Challenges in the field. The workshop facilitated meaningful dialogue between practitioners, researchers, and industry representatives, fostering a collaborative spirit to enhance the synergy between academia and the homoeopathic industry. Key Opportunities identified included the potential for joint research projects, knowledge exchange programs, and the development of innovative homoeopathic products. Participants emphasized the importance of bridging the gap between theory and practical application, with a focus on translating research findings into commercially viable solutions. However, Challenges such as resource constraints, regulatory hurdles, and differing priorities emerged as crucial considerations. The workshop concluded with a consensus on the need for sustained efforts to address these challenges and foster a conducive environment for fruitful collaborations. Overall, the event served as a catalyst for building stronger ties between academia and the homoeopathic industry, paving the way for advancements in research, education, and product development in the field.

EVENT REPORT

Name of the Activity	Building Effective Partnerships Workshop: Homoeopathic Medical College & Industry
Type of Activity	Industry-Academia Innovative practices
Date and Time of Activity	12.07.2022 - 13.07.2022
Details of Participants	87
Resource Person	Mr.Tej Patil
Coordinators	IQAC Coordinator
Organizing dept.	IQAC Cell
Description	The Building Effective Partnerships Workshop at Homoeopathic Medical College successfully bridged academia and industry in a collaborative endeavour. Attended by faculty members, students, and industry professionals, the workshop aimed to foster meaningful alliances for mutual growth. Participants engaged in insightful discussions on aligning academic curricula with industry needs, ensuring graduates possess practical skills. Keynote speakers highlighted the importance of synergy between education and industry, emphasizing how partnerships could enhance research, internships, and employment prospects. Interactive sessions allowed attendees to explore potential collaborations, identifying common goals and challenges. Industry representatives presented current trends, encouraging innovation and research in alignment with market demands. The workshop concluded with a commitment to establishing ongoing communication channels, encouraging collaborative projects, and implementing internship programs. The event not only strengthened ties between the Homoeopathic Medical College and industry but also laid the foundation for a dynamic and symbiotic relationship, poised to benefit both sectors in the evolving landscape of healthcare and education.
